Applicant:	Steven B and George F Kamps P O Box 192 Lincoln MT 59639
Application No.:	14178
R/W Purpose:	a private access road to a single-family residence, and associated outbuildings, including utilities and for conducting normal timber management activities
Lessee Agreement:	N/A (Unleased)
Acreage:	0.40
Compensation:	\$728.00
Legal Description:	60-foot strip through SE4SE4, Sec. 16, Twp. 11N, Rge. 15W, Granite County
Trust Beneficiary:	Common Schools
Classification:	III

Application falls under the Access Road Policy. Applicants recently purchased the remaining timber holders in Montana from Louisiana Pacific Corporation. The State and Louisiana Pacific had previously done a reciprocal access agreement, but this particular road and parcel of private land were not included due to questionable legal access. Upon detailed research by the applicants, it was discovered that there was a reservation for a county road on the private lands adjacent to the state lands, thus giving the state parcel legal access. Applicants and the DNRC petitioned Granite County to declare the road a dedicated county road. Such resolution was passed by Granite County in 2006. The county road and existing road through state land provide the sole access to applicant's private lands. Other routes were reviewed but were not feasible due to terrain and environmental concerns. As this state parcel is now legally accessible and applicants other lands were previously involved in a reciprocal access agreement, no new reciprocal agreement is warranted. Although no residential unit is in existence on the property at this time, applicants have requested the ability to access the lands for a single-family residence for the future. The Department recommends approval of this request.

Applicant: Montana Department of Fish, Wildlife & Parks
P O Box 200701
Helena MT 59620-0701

Application No.: 14179
R/W Purpose: a public recreational area and shooting range
Lessee Agreement: ok
Acreage: 357.28
Compensation: \$130,000.00
Legal Description: Tract of land in N2, N2S2, Sec. 36, Twp. 16N, Rge. 54E,
Dawson County
Trust Beneficiary: Common Schools
Classification: III

Currently, a shooting range exists within the boundaries of the Makoshika State Park. While there have been no reported incidences of conflict between users of the park and the shooting range, for the general safety of the public the shooting range should be relocated. In order to keep it within close proximity to the City of Glendive, the above-referenced state section provides the best location possible as it is within approximately 3 miles from the City of Glendive. The easement area will consist of all state land North of Highway 200 with direct access to the parcel from the highway. Public scoping has been held and while there has been some concern from users of the existing shooting range about relocation, it is in the state's best interest to prevent possible conflicts with users in the state park.

The Environmental Assessment completed by Fish, Wildlife & Parks is for acquisition of the site for a public recreation area only. A second Environmental Document will be produced at a later date regarding the planned development of the site for the shooting range.

The Department recommends approval of this easement request for a public recreation and shooting range site.
